Parental Involvement Program (PIP) Frequently Asked Questions

1. Why is this policy necessary? What's driving this change?

The Mall at Stonecrest's new Parental Involvement Program (PIP) is designed to enhance the shopping experience for all of our patrons. This effort is in line with the national trend toward creating a family-friendly atmosphere for shopping, dining and entertainment.

We have coordinated our efforts with, and utilized input from, various groups, including youths themselves, police, school administrators and community leaders. This policy has been developed based on customer and merchant feedback on the need for more specific youth visitor guidelines.

2. How will you be able to determine if someone is a parent or legal guardian?

Mall at Stonecrest security personnel have been specially trained to implement the new program. Visitors to the mall may be asked for photo identification, which could include a valid driver's license or other state-issued ID, school, employer or military ID.

3. Do parents have to stay with their kids at all times?

Yes, youths must remain with a parent or legal guardian at all times during their visit to the Mall at Stonecrest. One parent or legal guardian may escort up to four youths, and at least one of the youths must be the child of the parent or guardian. Parents or legal guardians are responsible for the actions of the escorted youths.

4. How did you decide on the schedule for when the program is in effect? What is the policy outside the effective hours?

The parameters were based on our experience at the Mall at Stonecrest and research of other retail centers across the country that have implemented similar programs. The overwhelming conclusion was that these programs work best from mid-afternoon through closing.

5. Are there any exceptions? For example, what about school trips or holidays?

There are no exceptions. The program will be effective May 1, 2009, and enforced during the holiday shopping season.

School groups are welcome as always, and the school should notify the Mall at Stonecrest Management Office in advance and ensure that groups are accompanied by an appropriate number of chaperones.

6. How does this new program affect the food court and cinema specifically?

Visitors under the age of 18 are not permitted to visit the food court or shop after 4:00 p.m. on Friday and Saturday without a parent or legal guardian. The purchase of a movie ticket does not exempt a child from compliance with the Parental Involvement Program. Youths exiting the theater after 4:00 p.m. on Friday and Saturdays must immediately leave the property if not escorted by a parent or legal guardian.

7. What are the potential punishments?

Individuals in violation of the program (or any other posted mall policies, including the existing Code of Conduct) must leave the mall or face expulsion, banning, arrest and/or prosecution for criminal trespass.

8. Once the teens are removed from the Mall at Stonecrest premises, what will happen to them?

Violators will be asked to leave the Mall at Stonecrest. Those who wish to arrange for transportation can wait in a designated area within the Mall at Stonecrest.
