

Mallfinder is bridging the gap between offline and online administration of mall websites by putting the power in your hands.

Visit our newly launched Version 2.0 of RetailHub.com, an internet tool that gives you the ability to manage your brand presence on every website in the Network. Through easy-to-use forms, you can manage merchandise presentation, schedule sales and event information, even reach out to new consumer groups.

---

*Through RetailHub.com,  
stay connected to the  
newest happenings at  
local malls across the  
country.*

---

RetailHub.com simplifies your interactions with malls nationwide through a convenient, immediate user interface, by integrating the best features of the Internet:

- ***Being able to work from anywhere, at anytime.***
- ***Seeing instantaneous results on applicable mall websites.***

Through RetailHub.com, stay connected to the newest happenings at local malls across the country. Find out which new malls are launching websites and get updates on local contacts and events.

Use of RetailHub.com is free to retailers participating in the Network. For more information, please call (888) 681-4303 or logon to [www.RetailHub.com](http://www.RetailHub.com).
